Avoiding Interest on Purchases (Grace Period) (Excluding Easy Pay Promotional Balances):

If you have a 0% promotional APR on any of your Purchase balances (excluding Easy Pay), you can avoid paying interest on those balances during the applicable promotional period. However, pay at least your Minimum Payment Due to avoid a late fee.

If you do not carry a Purchase balance subject to interest (excluding Easy Pay) from month to month, you can avoid paying interest on your Purchases (excluding Easy Pay) by paying \$4,821.99. To avoid interest, you must pay the amount indicated above in full.

If you carry a Purchase balance subject to interest (excluding Easy Pay) from month to month, interest will accrue from the date the purchase is made until the date it is paid in full. The amount shown above does not include any interest that may have accrued since your statement period end date. Barclays may choose not to assess interest that accrued since your last statement period end date if it is below a certain amount.
